Terms and Conditions

Scholarship specifics:

This is a \$500 scholarship awarded to a Halton student who best meets the criteria as outlined below.

Closing date

Completed application form and supporting documents (as detailed below) must be submitted to your trades teacher or scholarship committee no later than April 27, 2018. Mr. Caughlin will choose the recipient from all applicants.

The successful recipient must:

Be successfully graduating from grade 12, be enrolled in an apprenticeship or a trades program at college immediately following graduation, and demonstrate a strong desire to pursue technological education. Financial need may also be considered.

Additional documents to include:

In addition to your application form, please provide all of the following:

1. one or two paragraphs outlining why you should receive the award
2. one reference letter from a tech studies OR co-op teacher
3. a copy of your credit counselling summary
4. a current resume
